

Child Restraint Fitting

Thursday, 19 September 2019

Are you re-fitting child safety seats correctly?

Include child safety seats on your service checklist – ensure your staff are properly trained.

Empower your staff – make client satisfaction a certainty through effective training

- Interactive training for maximum results
- Face to face training with an expert in the industry.

Who is doing the training? The training is provided by the Australian Child Restraint Resource Initiative (ACRI)

Please note: this course is designed to give technicians the skills and knowledge to re-fit a child safety seat following its removal from the vehicle

Cost: \$285 inc. GST

Venue: VACC House
Level 7
464 St Kilda Road
MELBOURNE VIC 3004
